HEAVY SELLING BRINGS DECLINE

Further Profit Taking and Rush to Unload Is Trailing by Bearish Movement of Stocks.

New York, May 20.—Further profit taking in standard shares and renewal of pressure against the speculative specialties imparted some heaviness to today's early stock market trading but these conditions were largely overcome later when the railway list resumed its upward progress. The moderate dealings centered around Reading, Erie and the copper at first but gradually broadened, with pronounced strength in Canadian Pacific, which rose over five points with 2 1/2 for "So", an allied line, and one for Union Pacific. United States Steel moved within narrow limits and most other industrials retrieved early losses. The closing was strong. Bonds were irregular.

KANSAS REPORTS ADVANCE WHEAT

Assertions That Never Before Has Kansas Wheat This Year's Damage—Boost Prices.

Chicago, May 20.—Assertions that the state of Kansas has never before had such a disastrous visitation of Hessian fly as at present gave firmness to today's wheat market here. Detailed reports tending to prove that the assertions of unprecedented loss had not been exaggerated came from recognized authorities and referred to some of the largest producing counties. On the other hand Omaha sent word that Nebraska receipts were increasing. Opening prices which ranged from 1 1/2c off to 1/2c up, with July at 1 1/2c to 1 1/4c, were followed by a moderate general advance.

A sharp setback took place in the last hour as a result of heavy selling by a leading house. The close was unsettled at 1 1/2c for July and 1 1/4c for September, with the market as a whole 1/2c off to 1/4c up. Corn rose with wheat. There was a notable absence of pressure to sell. After opening unchanged to 1/4c higher, the market continued to harden.

No important reaction ensued. The close was steady at 1 1/2c to 1/4c net advance. Oats shared the strength of other grain. Buying, though, lacked volume. Speculative selling weakened provisions. Higher prices on hogs were ignored.

Vashti, 1; Dubuque, 0.

Those who neglected attending the baseball game yesterday afternoon at the local college field missed one of the best exhibitions of the game ever staged at that park. The affair was a hard-fought test for supremacy between the baseball nines of Dubuque German college and William and Vashti college. The Dubuque artists came to the city with a clean slate and an excellent record, but were not able to show their superiority over the fast local bunch, the latter winning by a 1 to 0 score. Both teams played an air-tight defensive game, each team fielding perfectly except for one lonely error, each. In offensive playing the Vashti boys excelled, getting five hits to their opponents' two. For Vashti, Overbrook, the old truster, was almost invincible, the opposing batters being completely dazzled by his speed and the lightning break of his curved balls, including his excellent spitter. Preceding the game the student body held a parade of ponies, mules, geese, and many clowns, who afforded much amusement for the townspeople upon the streets. The band led the parade.

Columbian Club Meets.

The weekly meeting of the Columbian club was held Wednesday afternoon with a large attendance. Two interesting papers were read. The club is anxious to be able to meet in the new library basement in the near future.
